The Place — Deep Creek High
The Year — 1955

The first chapter of Deep Creek High School began twenty-four years ago. For that reason, we wanted to make this yearbook a special one for all students who ever attended DCH, so we have included memories not only of this past year, but of the 50's and 60's as well. Since Fate has decreed that 1979 will be "The Last Chapter" of the old Deep Creek High, THE HORNET will preserve for you the way it was.

DEDICATION

Mr. David Brothers and Mr. Tom Cupitt are well known to members of this year's senior class. In many cases, both men have known these students since junior high where both taught for a few years before coming to the senior high school.

Besides knowing these teachers from inside the classroom (both teach government and U.S. History), many students know them from the time they have given to extra-curricular activities. Both Mr. Brothers and Mr. Cupitt have coached. Mr. Brothers coached both basketball and track at the junior high and at Deep Creek High he coaches the cross country team and both the men's and women's varsity track. Mr. Cupitt coaches the men's and women's tennis teams.

In addition to coaching these men have also sponsored the Freshman, Junior and Senior classes together.

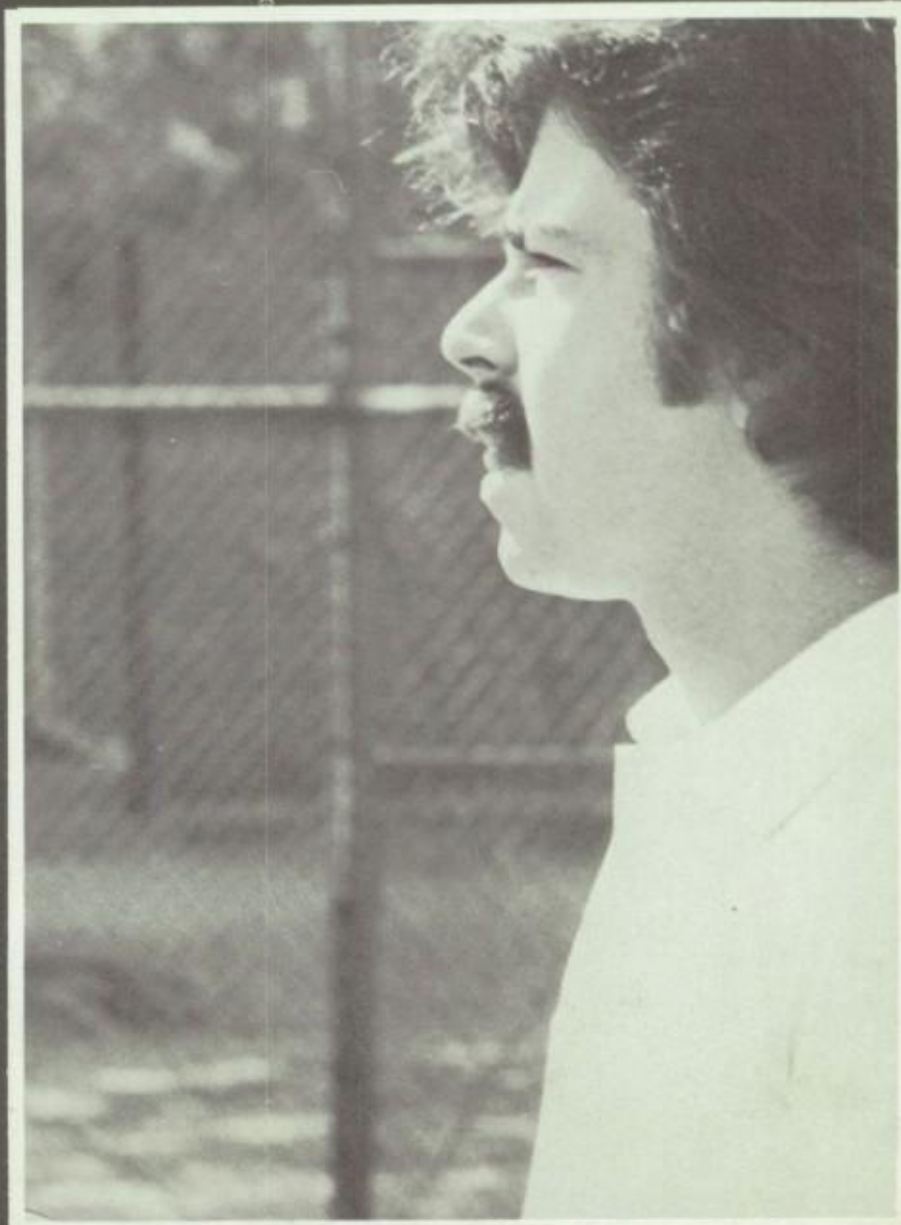

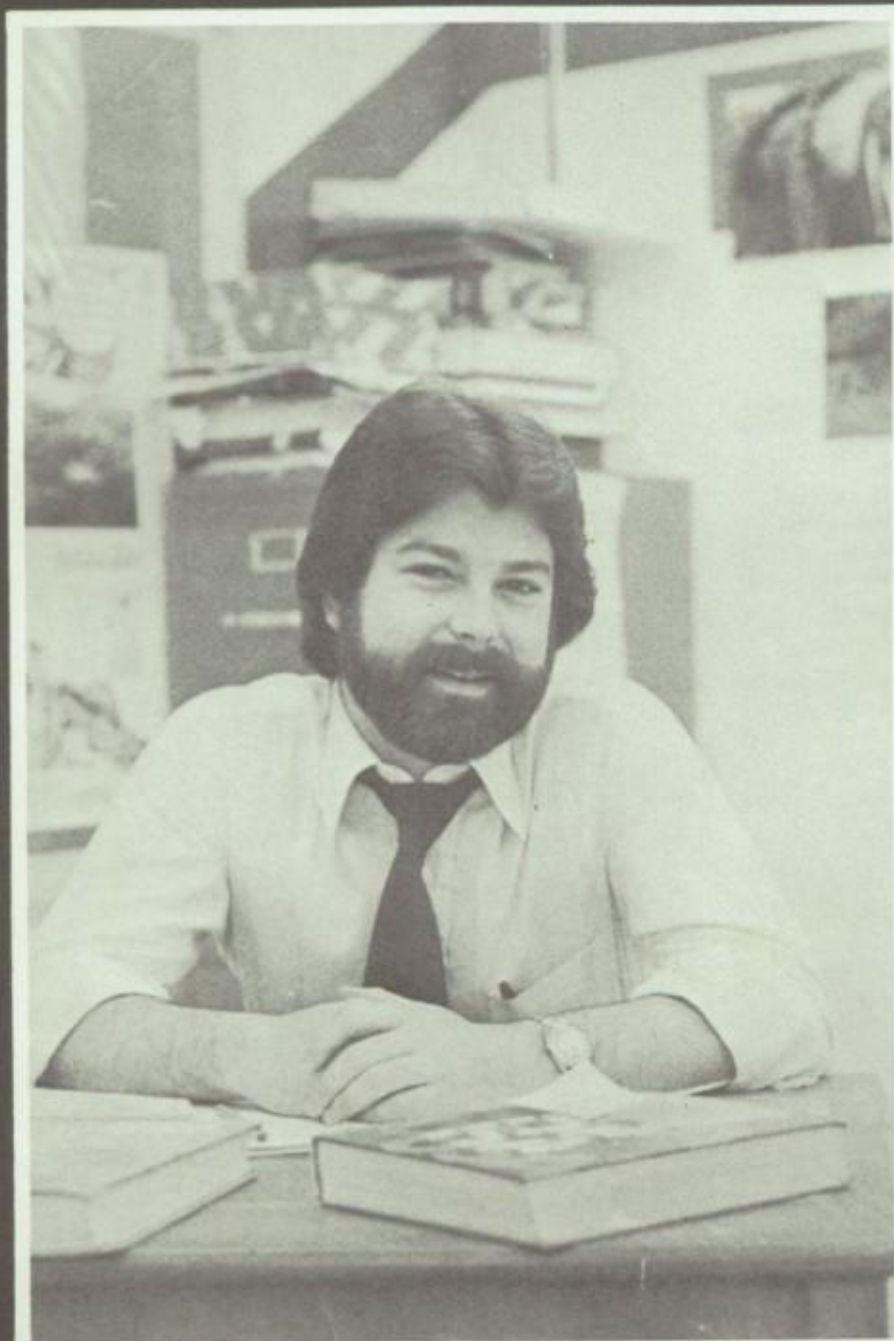

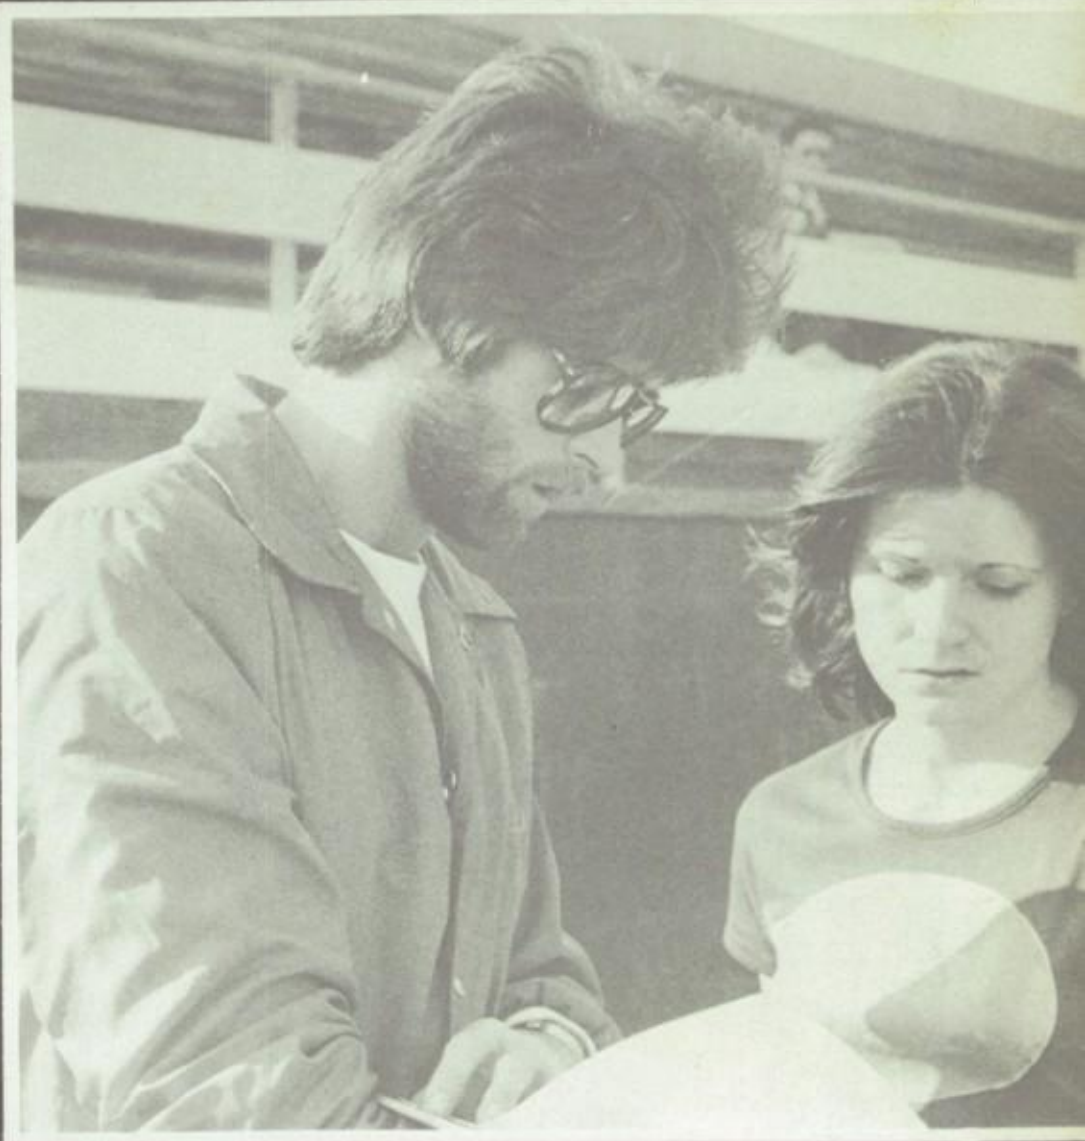

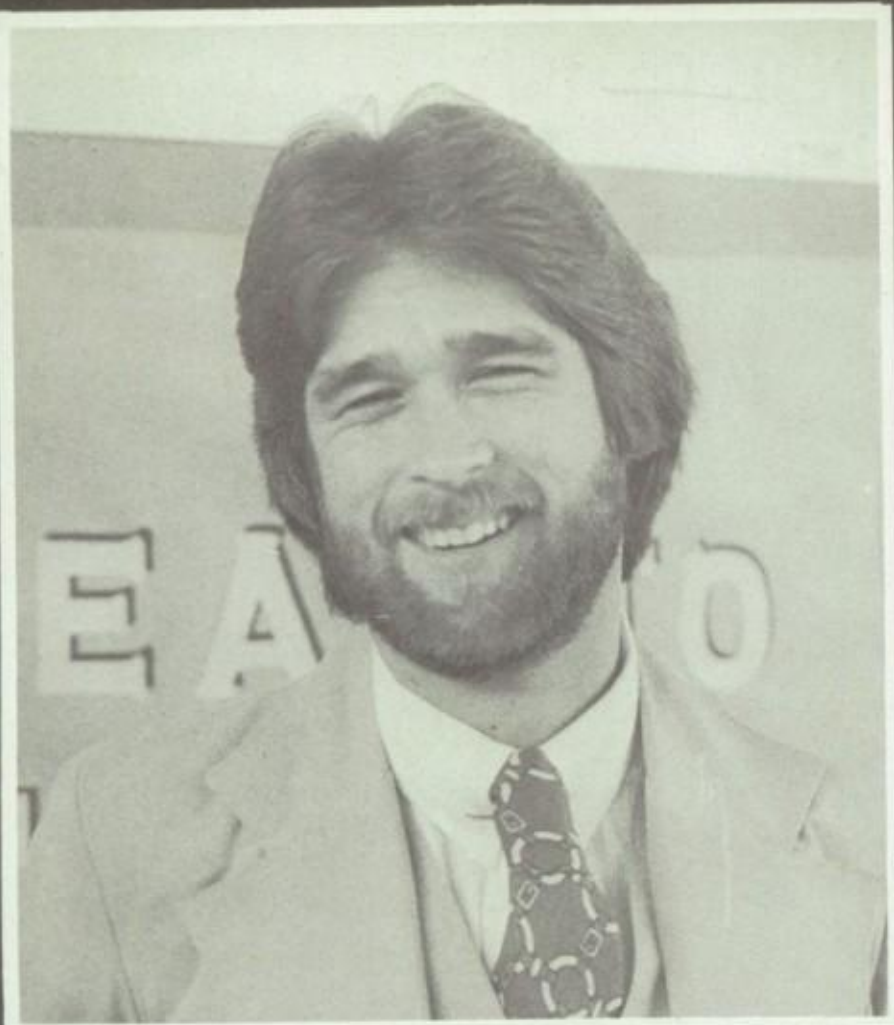

Mr. Brothers and Mr. Cupitt have shared not only an interest in Deep Creek students, but in outside activities as well. Both enjoy tennis, and Mr. Brothers likes to surf and camp, too. Mr. Cupitt enjoys skiing and traveling. Besides the outdoor sports, however, they also said that they enjoy reading as one of their hobbies.

Mr. Brothers received his college education from ODU where he obtained a B.A. in History. Since then he has gone on in his studies in an effort to receive a M.S. in Educational Administration.

He hopes to eventually enter the ranks of administrators somewhere within the Chesapeake school system. Mr. Cupitt received his degree from Virginia Wesleyan College and has since done graduate work at ODU and UVA. He plans to stay in teaching and is looking forward to teaching at the new high school next year.

You can see for yourselves that Mr. Brothers and Mr. Cupitt are two men who have given generously of their time and interest to Deep Creek. So, Mr. David Brothers and Mr. Tom Cupitt, the senior class takes great pride in dedicating the 1979 Hornet TO YOU!

Chapter I

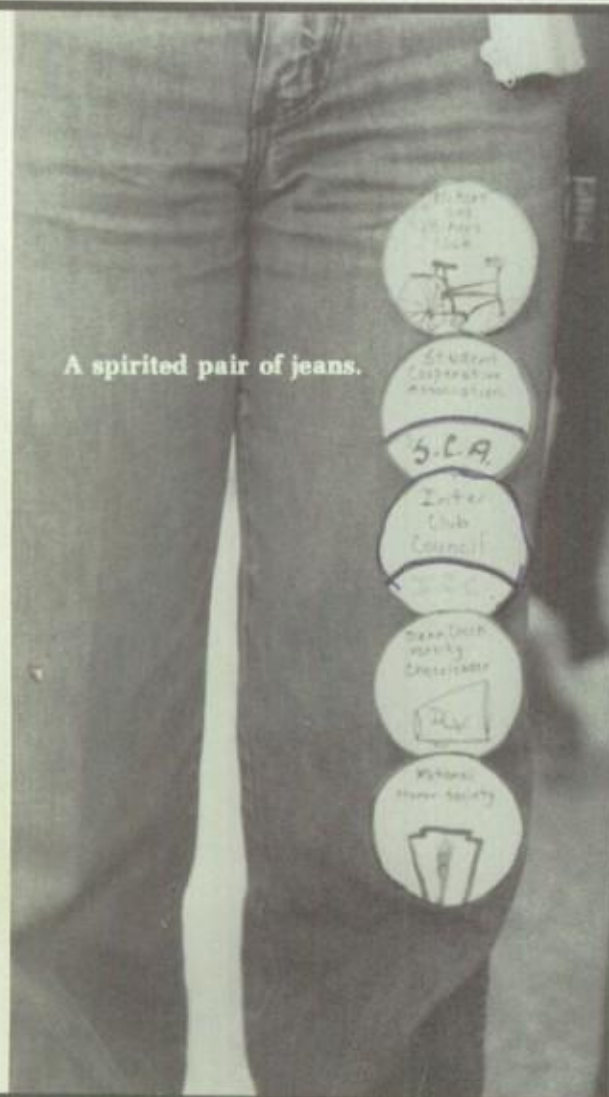

Take a look. Do these people look a little different to you? They should! We have tried to show, in these divider pages, how times have changed since the founding year of Deep Creek High — 1955. We have included pictures of various aspects of life at Deep Creek starting with the 50's and ending with the 70's.

Look for yourselves — look for your relatives. This book is for **all** Deep Creekers who ever walked these halls, but will never have that chance again as we say farewell to the old Deep Creek High.

The clown around class.

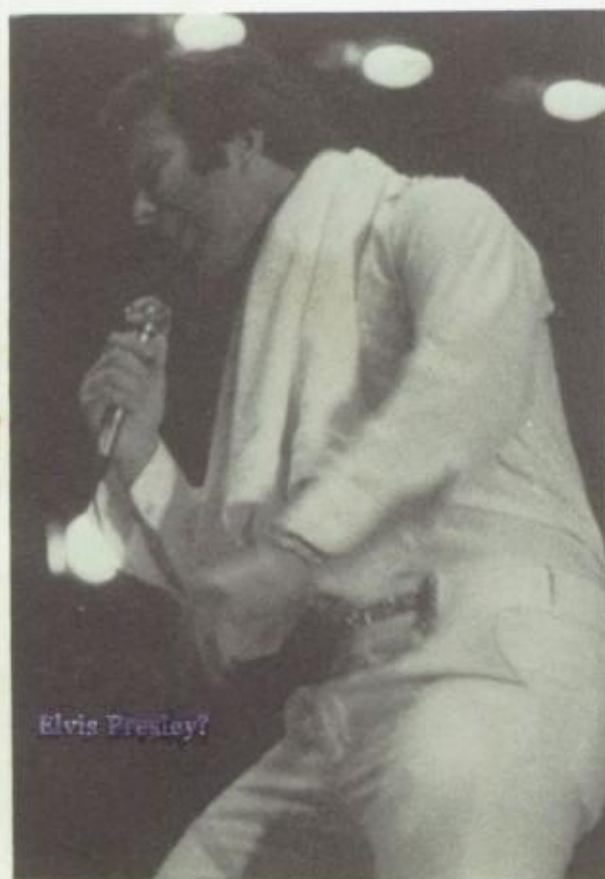

Clowns, slicked backed hair, nurse uniforms, French ladies of the night . . . What does all this mean?

SPIRIT WEEK!

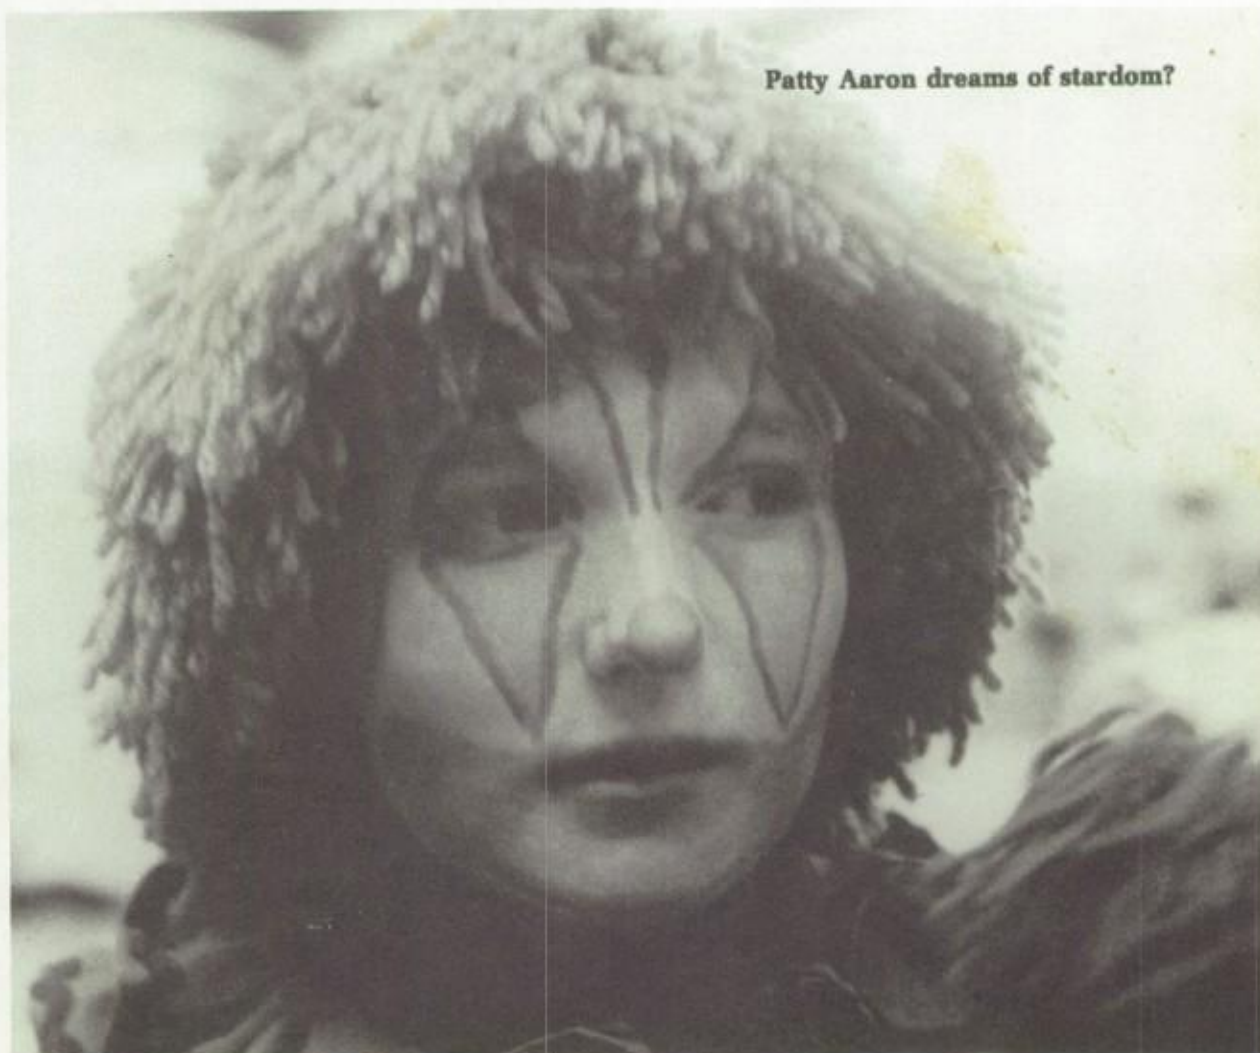

Spirit week has always been a tradition at Deep Creek High School. This year's activity included Jeans Day, Club Distinction Day, 50's Day, Dress Up Day, and Purple & White Day. As spirit rose, so did Elvis. On 50's Day Elvis the King made his appearance. Sherwood Kressley appeared as Elvis along with that ever-so-popular band Cindy and the Nerds.

Drama club clown, Yvonne Schroeder.

Just clowning around!

The part of Homecoming that takes the most work and involves the most people is the Homecoming Parade. The theme for this year was "Memories of the Way We Were". There were over twenty different groups represented, with the FBLA winning Best Theme, Hikers & Bikers — Most Decorative, and the FHA — Most Colorful. At the conclusion of the parade the Homecoming court was selected (as seen on the 3 preceding pages).

After the game the traditional dance was held which was the most successful ever given by the SCA. Since the SCA is responsible for organizing Spirit Week and Homecoming itself, we say a big THANKS!

"WE MAY NEVER PASS THIS WAY AGAIN"

"September" by Earth, Wind and Fire

Do you remember, the 21st night of September
Love was changing the minds,
Pretenders while chasing the clouds away

Our hearts were ringing,
In the key that our souls were singing
As we danced in the night,
Remember how the stars stole the night away

Ba de ya — say do you remember
Ba de ya — dancing in September
Ba de ya — never was a cloudy day

My thoughts are with you
Holding hands with your hearts to see you
Only blue talk and love
Remember how we know love was here to stay

Now December, found the love we shared in September
Only blue talk and love
Remember the true love we share today

Ba de ya — say do you remember
Ba de ya — dancing in September
Ba de ya — never was a cloudy day

Ba de ya — say do you remember
Ba de ya — dancing in September
Ba de ya — golden dreams were shiny day

Farewell Now, My Friend

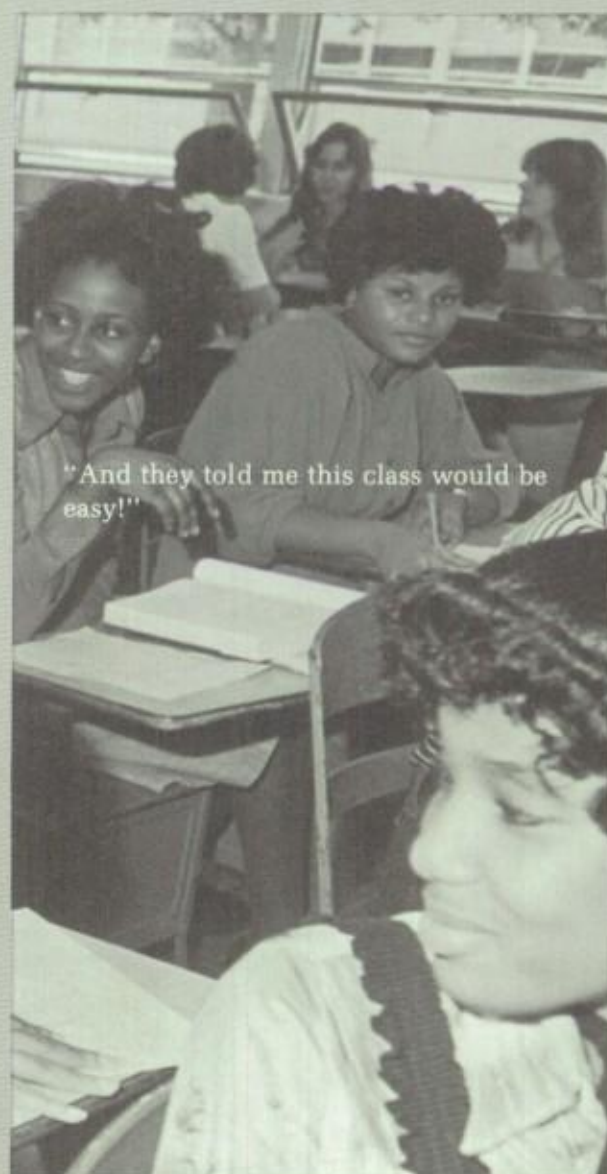

I love you, my friend
You're quite dear to me,
A true friend you are
and always will be.
But you're leaving me soon
and going your own way,
Perhaps we will meet
In the future some day.
You've left me with memories
Of good times we've had,
To treasure forever

Ms. Janice Cross, Faculty Director of Pageant.

"Tom Travolta" and "Olivia Newton Wall" made a special appearance at the Miss Deep Creek Pageant. Though their costumes, dancing, and narration the emcees projected the theme for the pageant "Those Were the Days." Most of the talent for the program also reflected this theme in song and dance. This was also true of the special entertainment, provided by the new band, The Burbon Street Five.

The schedule of events included an opening dance number performed by all 7 contestants, talent competition, a performance by last year's Miss Deep Creek, (Jennifer Hillman), and the evening gown competition. Their escorts for the last part were selected ROTC cadets.

The final, of course, was the awarding of the prizes. First, the Miss Congeniality award was presented to Doris Padget, who also received 1st runner up. Second runner up was Theresa Lindsay, and Miss Deep Creek of 1979 was Monica Hunter. A very talented lady, not only did she design and make her own evening gown, but she also played the piano and sang a melody of songs that she had arranged herself.

The Pageants Emcees, Tom Cupitt and Gayle Wall.

NHS Dance-a-Thon

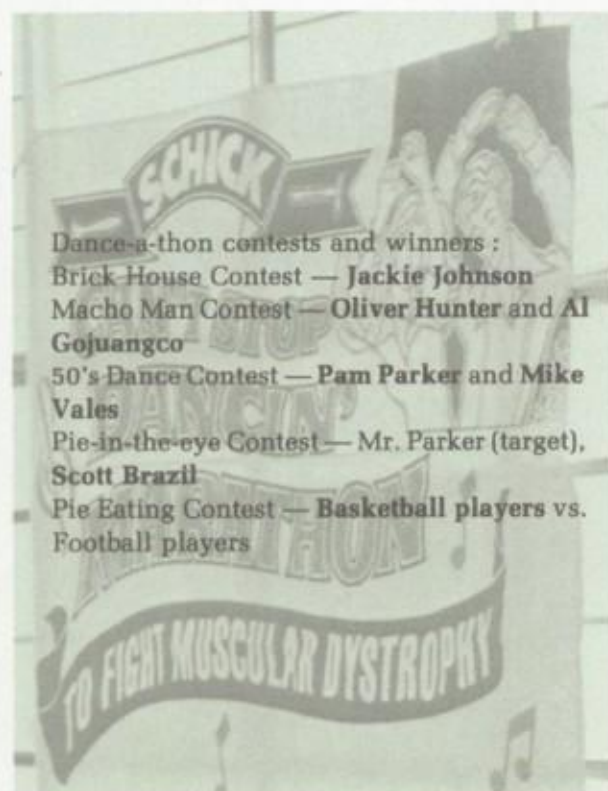

Scott Brazil plays Steve Martin accompanied by Max Smith and his Unknown Band.

For fifteen hours students of Deep Creek danced to benefit the Muscular Dystrophy Association. Sponsored by the National Honor Society, the Dance-a-thon was held January 25, 1979. The theme was "Love is in the Air."

Approximately eighty dancers participated and all danced to the finish. The total amount of money raised by these dancers was \$2,401.00.

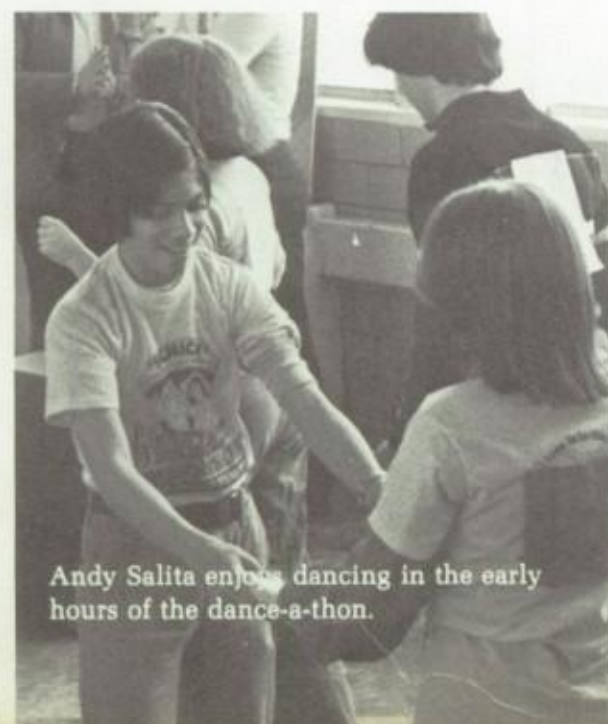

A tremendous amount of work went into this one day. Five months of planning by all the various committees resulted in a fun-filled event for a good cause. Committee chairman are as follows: Co-chairmen — Cindy Russell, Nelda Old; Food — Tammy Kenney; Publicity — Monya Long, Kathy Unruh; Prizes — Sherwood Kressley, Arlene Epps; Special events — Tammy Hardee; Decorations — Beth Evans; Band — Shiela Rogers; Clean up — Terri Zortman; Registration — Brenda Yerkes; Finance — Cynthia Sherril.

Dance-a-thon contests and winners:
Brick House Contest — Jackie Johnson
Macho Man Contest — Oliver Hunter and Al Gojuangco
50's Dance Contest — Pam Parker and Mike Vales
Pie-in-the-eye Contest — Mr. Parker (target), Scott Brazil
Pie Eating Contest — Basketball players vs. Football players

Dancers take a rest while enjoying entertainment provided by Steve Martin songs.

Andy Salita enjoys dancing in the early hours of the dance-a-thon.

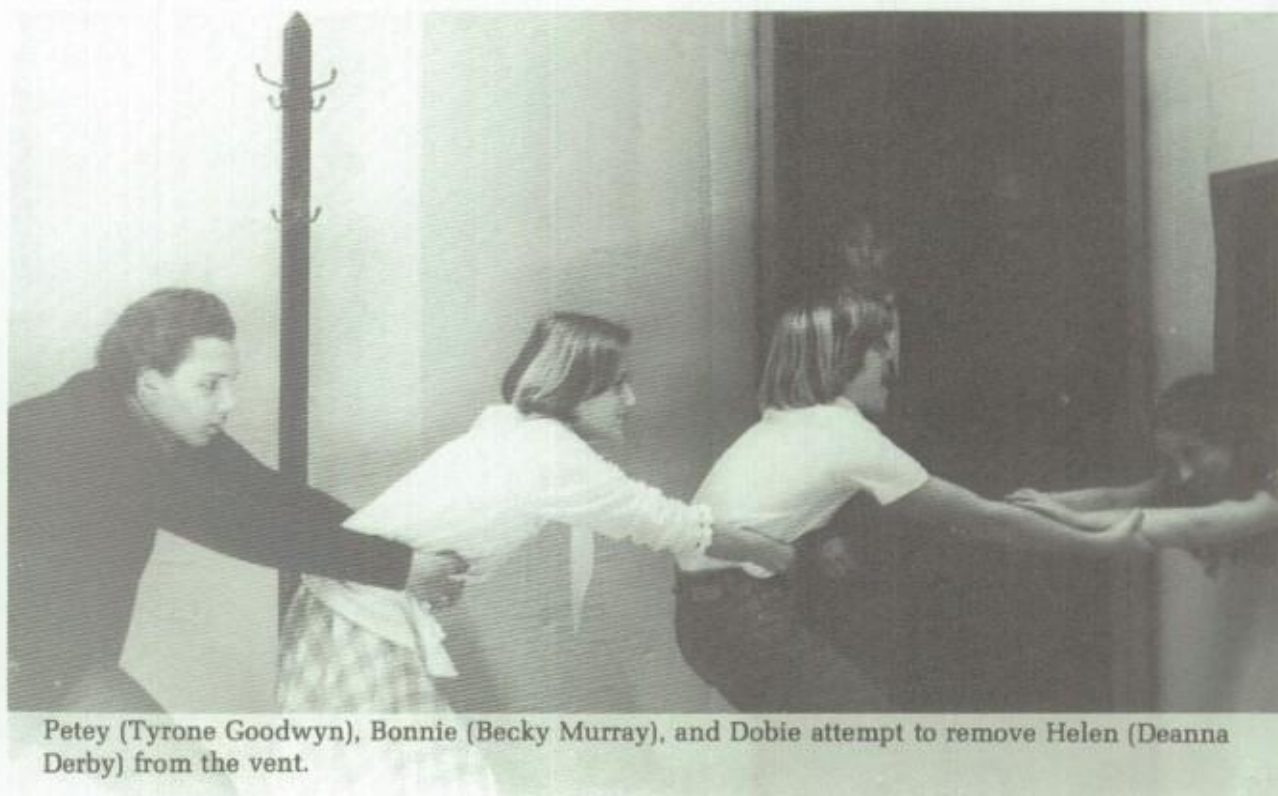

Al Gojuangco imitates King Tut dance.

Ms. Tempie Kessler successfully completed her first attempt at directing here at DCH.

On December eighth and ninth the Deep Creek Players presented "The Many Loves of Dobie Gillis." This play, concerning the trials and tribulations of a high school student in the 1950's, was a first effort for the new drama instructor, Ms. Kessler.

The audience was delighted by the performances of DeAnn Dixon as Miss Pipgrass and Amy White as Stella Kowalski. Because of the play's popularity, the Drama Club was able to bring itself out of debt.

Evidence is found by Miss Forepaugh to convince the students of Helen's guilt.

Teresa Smith, Treasurer; Sherrine White, Reporter; Jennifer Banks, President; Teresa Kindler, Secretary; Tina Lewis, Parliamentarian; Lori Roberts, Vice-President.

The Freshman Class started fund raising activities early this year in an effort to earn enough money to enter the Homecoming Parade. The Freshman officers sold raffle tickets for a gift certificate to a record store and 2 tickets to the Homecoming game. Their was definately the best looking car entry!

Chapter II

The sports scene has always been popular at DCH, but lately the women have changed their roles from being mostly spectators to a more active one of participators. The cheerleaders in bobby socks of the 50's may still be cheering on a track or football team, but there is more of a chance in 1979 they will be out on the field themselves (perhaps playing baseball?).

The Varsity and Junior Varsity Cheerleaders worked very hard at their summer camp which was held at Virginia Wesleyan College. The Varsity won first place in the skit competition while the J.V. won second. Each squad also won ribbons for their superior and excellent cheering ability. As a whole they received a plaque from the Chesapeake Recreational Department and marched in the Great Bridge J.C. Christmas Parade in which our band won first place.

John Thornberg, offensive lineman

The Junior Varsity Football team recorded a winning 6-2 season and came in 2nd place in the Southeastern District. Coach Koonce attributed the success to leadership, strict discipline and above all — a positive attitude.

When practice began in late summer, they were geared around a positive approach to all learning experiences. From this approach came a highly motivated and polished offense led by quarterback Brian Stephen.

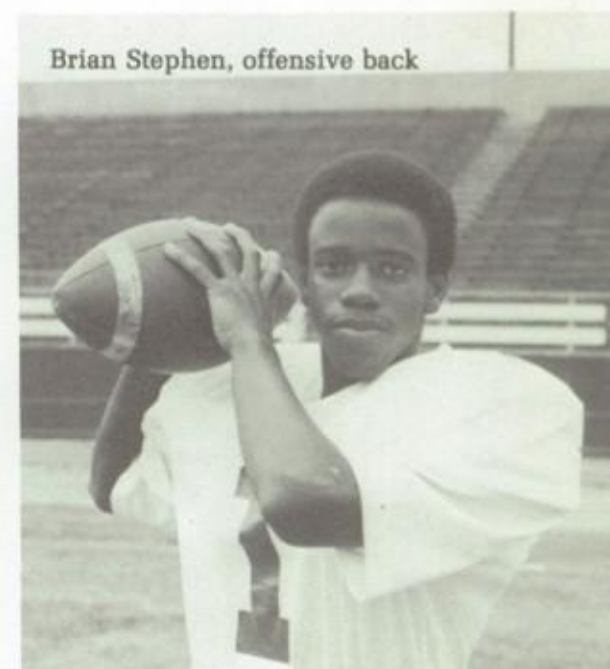

Throwing three season touchdown passes and commanding the execution of the offensive attack, the J.V. Hornets were awesome as they polished off previously unbeaten W.B. who had a 22 game winning streak snapped at Hornet stadium. Otis Copeland became the workhorse as he rushed for over 100 yards in all but 1 game and was voted the Most Valuable Player.

The polish of the offensive unit paralleled the pride of the defensive as they recorded four shutouts and allowed only 46 points. Brian Buchanan, Troy Duke and Brian Edwards established themselves as the mainstays of a power-packed hard hitting defense.

Coach Koonce would also like to express a personal note of appreciation to Bryan Buchanan, Bob Hennessy, and Charles Knight for sticking with him for three seasons of exciting football and also to the heart of the offensive, John Thornburg, for four years of leadership and hard work.

For the first time in group AAA history the 1978-1979 basketball team advanced to the District finals of the Southeastern District Tournament. In the quarterfinals, Deep Creek defeated the Grayhounds of Norcom 67-63. In the semi-finals, the Hornets upset the top-seated Wilson Presidents 66-65. In an exciting final, despite many chances to win, the Hornets succumbed to the Braves of Indian River 84-82 in overtime. This concluded a second straight 15-8 record for coach Harry Rest's charges. Despite eight losses, the largest margin of defeat for the Hornets was 4 points. All-American Robert Artis led the Hornets, along with outstanding play from Cliff White, Roy Harris, Sidney Hudson, Reginald Bly, Emanuel Harding, Harold Blalock and Mike Cassell. The Hornets are extremely optimistic about next season with eleven of fifteen players returning to play in the brand new Hornet's nest.

This year's season was one full of excitement, but marred because of numerous injured players. High scorer, Suzanne Fountaine, contributed to the Lady Hornets' successes. Eleonor Gains also improved quite a lot with the season's passing.

The team made it to the tournament and played first ranked Indian River. They kept the Braves hopping during the first and second quarters, were down by only 2 points in the 3rd, finally to succumb in the fourth quarter.

The 1978 Deep Creek Boy's Tennis team was involved in building a new team this season. Returning were last season's district champion — Victor Bryan, Dennis Suter, Scott Brazil, and Craig Matthews. New faces to the team were Tim Potts, Mike Lynn, and Steve Holmes. Also new at the helm this year was Coach Tom Cupitt. The team had strong and weak moments this season but did well in the District Tournament finishing in third place. With all but one member returning next year we're looking for a winning season.

The Deep Creek Girls Tennis Team had a fairly good season this year considering the youth and inexperience. Finishing 4th in the District for the regular season, the girls upped this to third place in the District Tournament, just behind a very strong Western Branch team. The girls spent many long hours of drills and practice to improve their form. With the fact that all members are returning next year, and the advent of new courts and a ball machine, the girl netters should be the team to beat next year!

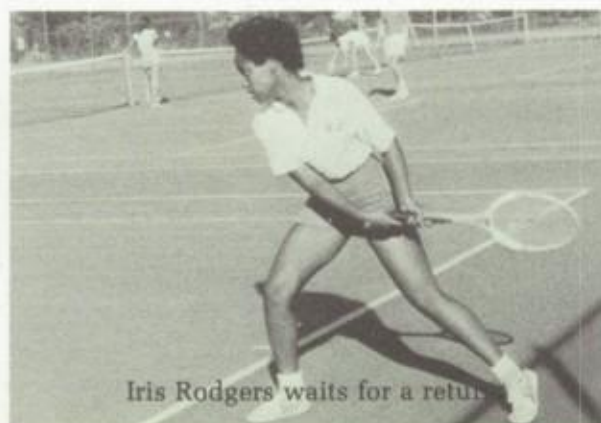

Karen Thornhill is awarded trophy by Mr. Cupitt for the Most Improved Player.

Kevin and R.D. went on to represent DCHS in the regional meet where Kevin finished 9th, also setting a new school record with a time of 2:02:09. R.D. hurled the discus 133 feet and finished 8th and a very strong field.

New school records were set by Robin Umberger in the half-mile and mile with times of 2:38.5 and 5:58.3, respectively. The two mile run was a new event and Robin has set the record at 13:28.0. Most valuable players were Robin Umberger and Donna Wilson.

GYMNASTICS

And that's why I wear sheer energy!

The impact of the social-cultural phenomenon of the female athlete is evidenced by the fantastic increases in the opportunities, the number of participants, and the quality of programs for the women in sport. One of the sports for women that is riding the crest of this wave is gymnastics. It is a sport in which a female can be extremely aggressive, totally commit herself, develop great amounts of strength and flexibility and be creatively artistic.

The hornet Gymnast had an exciting and very successful year as they pulled themselves up from the bottom of the gymnastics arena. This years team finished in third place in the regular season and third place in the district meet and ended its season finishing seventh in the regional meet.

Leading the varsity gymnastics team was Ruth Hennessy with a total of 185.42 points accumulated through the season winning first All-Around in the District meet. Michele Faulkner registered 166.1 points throughout the season and did an outstanding job in the compulsory meets.

Coach Koonce was also pleased with the individual effort from Anita Pierce, Val Fox, Susan Tibbetts, Phyllis Jackson, Lisa Tibbetts, Robin Wall, Sonia Hardee and Becca Culpepper.

Michelle Faulkner displays good style on the beam.

Chapter III

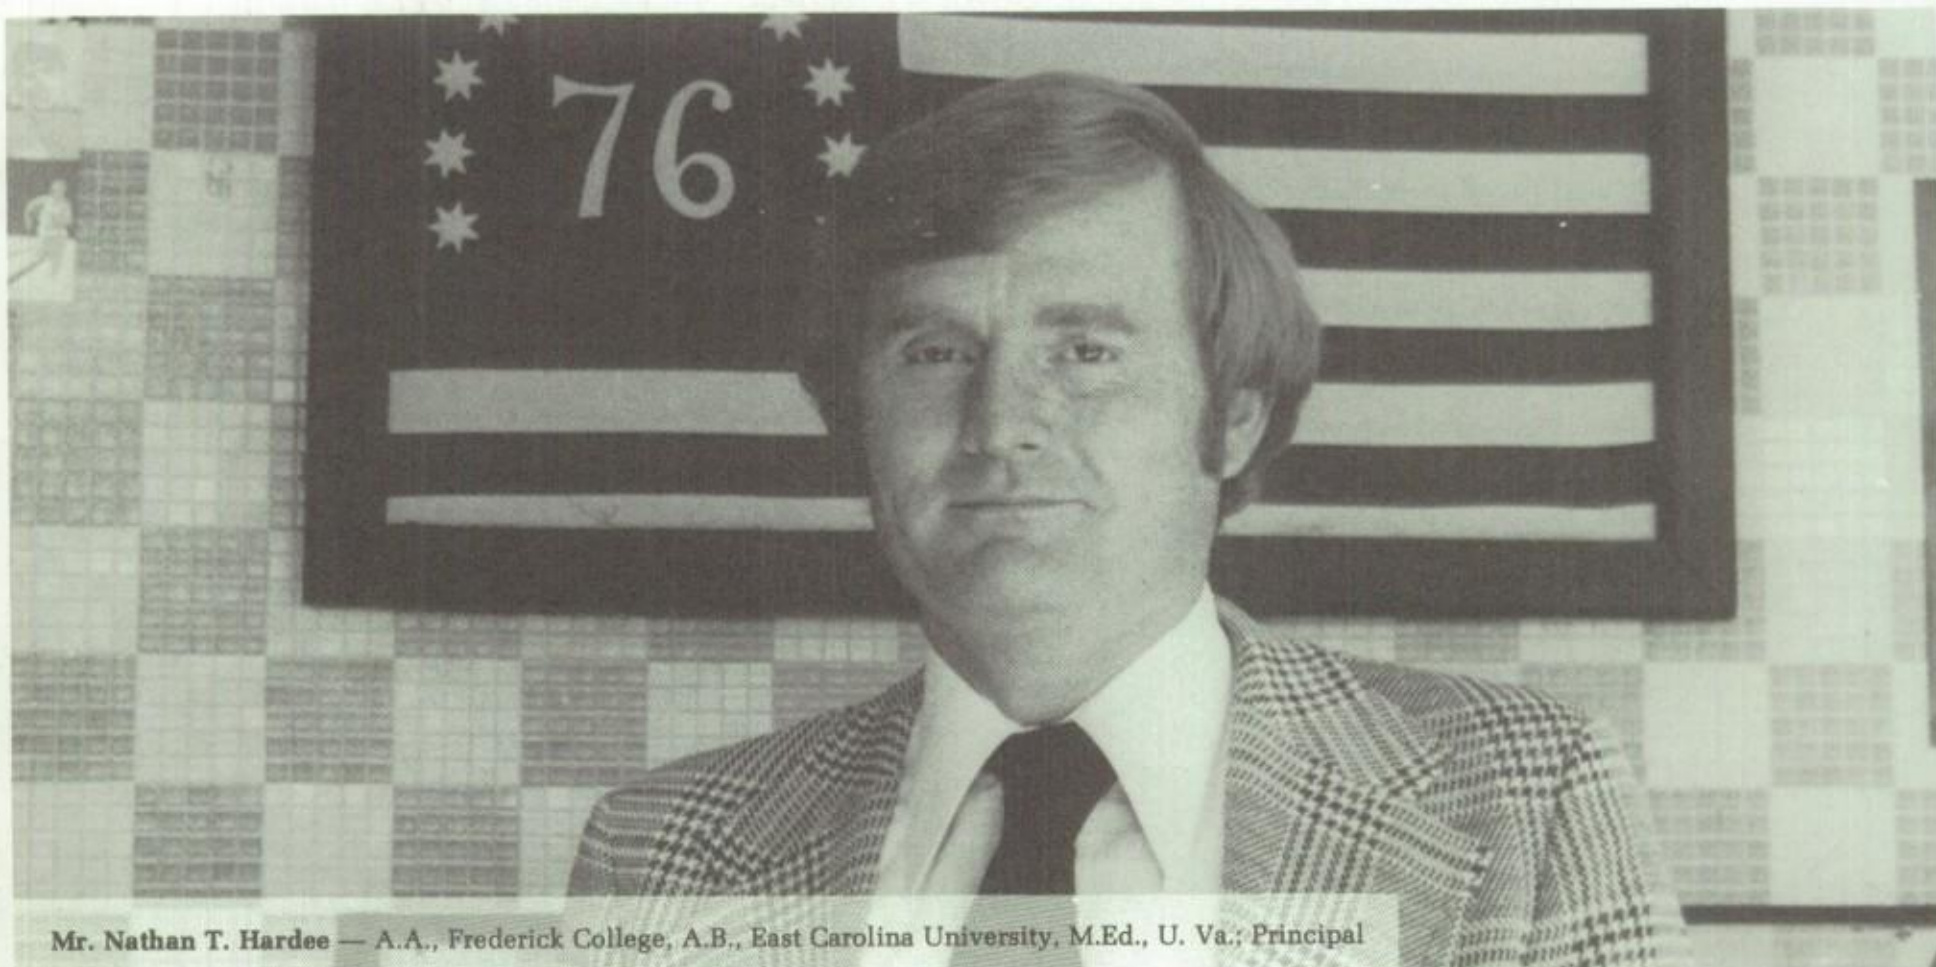

Mr. Huff, Mrs. Casteen, Mr. Swisher — very familiar names to anybody who has attended Deep Creek in the past 20 years. Mr. Swisher and Mrs. Casteen both started working at Deep Creek High in 1952 — even before this building was built. Mr. Huff joined the staff in 1955. Deep Creek High has been fortunate in having had the support of these people in the past years, and we look forward to working with them at the new Deep Creek High next year!

SCHOOL BOARD

Deep Creek's new assistant principal is Mrs. Lillian Donnally. Mrs. Donnally is not new to this area, having graduated from Cradock High School. From there she went to Radford College where she obtained a B.S. degree and graduated with honors. She also was the yearbook editor there and is listed among Who's Who among American Colleges and Universities.

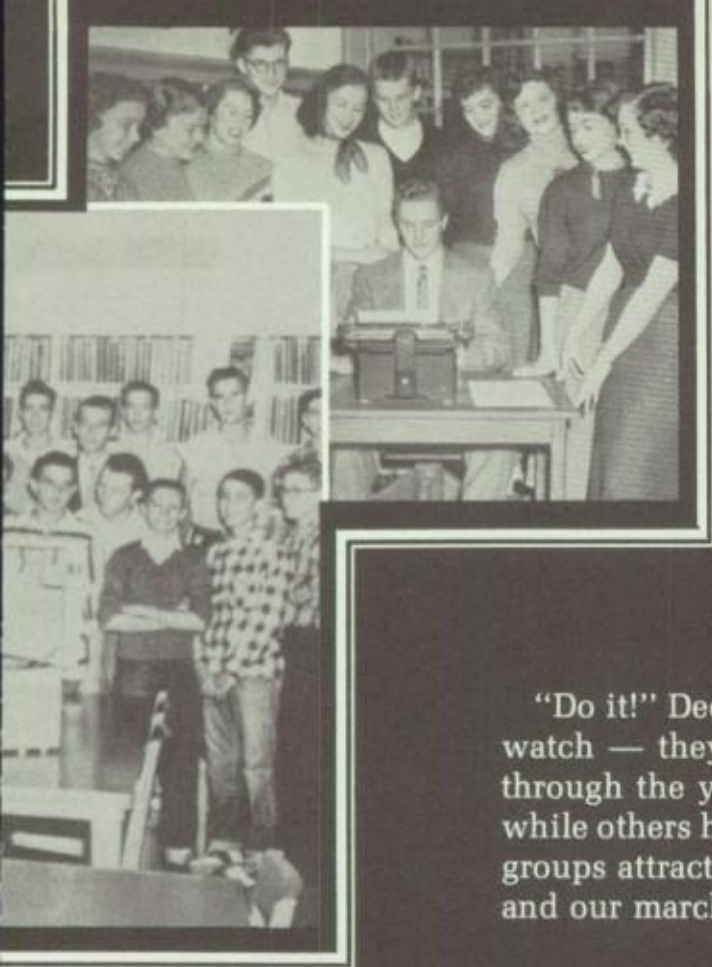

Before she went into teaching at Great Bridge High School she was a reporter for Channel 7 in Roanoke. This experience in journalism came in handy when she was teaching journalism, English and the yearbook advisor at Great Bridge. She has been there for the past five years but we were lucky and able to entice her away to join us. Welcome Mrs. Donnally!

Chapter IV

"Do it!" Deep Creekers have never been ones to just sit on the sidelines and watch — they get involved! Some organizations have kept their popularity through the years, such as the Annual Staff pictured here as it was in 1955, while others have fallen by the wayside, such as the Projectionist Club. Certain groups attract only women, such as the office helpers and the FHA, but plays and our marching band continue to offer a challenge to all.

SCA members bring Christmas spirit to DCH.

Officers of the SCA accept plaque from Mayor Whitehurst's office for winning 1st place in Penny an Inch contest.

The Christmas tree, blood drive, homecoming dance — ever wonder who does all the work for these events? The SCA does! The Student Council Association consists of students elected by the entire student body. These people try and see that different activities are organized which may benefit not only the student body, but often the entire community as well.

The March of Dimes fund drive is one example of a project the SCA undertook, and managed to raise over \$300.00 in less than two days. During the Thanksgiving Food Drive the SCA was able to put together eleven large baskets for needy families. And of course the Penny-an-Inch drive resulted in Deep Creek winning 1st place for the 2nd year in a row. This money goes into the Chesapeake Christmas Committee fund for less fortunate families.

While all of these projects show a dedicated SCA, without the help and cooperation of the student body, none of these efforts would have been successful. Certain events, therefore are set aside entirely for the pure enjoyment of the students themselves. These include spirit week activities, the homecoming parade, and the homecoming dance (which had over 600 people in attendance this year!). They also put up and decorated the Christmas tree we had this year in our foyer.

In all these activities, students are provided with the opportunity to make new friends of all ages and backgrounds. By working together they develop a sense of belonging — and a sense of that great Deep Creek Spirit. From a student's very first day here, starting with Freshman Orientation, the SCA is there to make these four years the best ever!

District competition was held at Indian River High on February 7. The 1st and 2nd place winners in each category were eligible to compete in regional competition later in the year. The 1st and 2nd place winners in each category were then eligible to compete at the state level.

The French Club has had its usual busy year. They started off with a trip to French-oriented Georgetown in Washington, D.C. where they ate at a French restaurant during October. In December they held their annual Christmas party dinner. In the spring they spent an exciting Easter vacation in Paris, France. They ended up the year with a visit to the Kermesse Festival at Chrysler Museum. As Miss Irons once said, "The purpose of this club is to have a good time," and they did just that all year long!

A pastor's luncheon is given in the spring which provides an opportunity for the ministers to visit the school and meet with the administration, guidance personnel, and the students as well.

CHESS CLUB

The Deep Creek High Chess Club is the State and City Champion of 1978. They hope to achieve the same for 1979, as well as try for the National titles. Last year, one member, Roderick Basa, placed 12th in the National High School competition. The club plays other schools in the area in order to gain experience and for the competition itself. While the whole team practices every Friday afternoon, a few members also take time to help the chess club of Deep Creek Junior High.

1979 — the year we witnessed the "Last Chapter" at the "old Deep Creek High". Because it was our last year here, the Hornet Staff has tried to make this annual one to be remembered by all Deep Creekers. This involved researching the history of Deep Creek since its founding in 1955, special art work, and attention to many small details that would make this an incredible yearbook.

At times we seemed to think the task set before us was impossible, especially since most of our members and sponsors had little, if any, experience in producing a yearbook. The fact that we succeeded seems almost a miracle! The late nights (especially right before deadlines), weekends, meals on the run (if we got to eat at all), and much hair-pulling all added up to the 1979 Hornet.

There were others who helped to make this yearbook a success. We would like to thank Tyrone Goodwyn for his witty captions. Chico Fernando for his many photography contributions, Mr. Day for his never-ending financial assistance, and Mr. James Hardee for his pictures of Chorus and the Gymnastics team.

The building of a new Deep Creek High School has been carefully planned and eagerly anticipated by many. But the purpose of Deep Creek High has been and always will be the same, to help its students build a future for themselves.

The process has been one filled with struggle, but also with a lot of fun and joy because it was shared with friends and faculty alike. For the class of 1979, their four years here are ones that will stand out in their memories, just as they do for all alumni of Deep Creek.

The 1979 HORNET has preserved for you the way it was.

The patronage we have received from businesses, civic groups and other organizations in the Tidewater area has always meant a lot to Deep Creekers. Without their backing it would be almost impossible to produce this annual. While advertisements from these different groups have changed through the years (as you can see from these old ads) we are glad that their support has not.
